Please place on agenda for Mar. 24, 2016 to discuss the motion(s) for 8th Grade US 19th Century History

- 1) inclusion of PACIFIC SECTION in the HSS Framework Draft.**
- 2) official motion to recognize the current, statewide reality of teens-at-risk of losing their history.**
- 3) extension of CDE - IQC timeline for writing the solution with final HSS draft for public and teacher input. The timeline of historical inquiry will engage teens in the common-core inquiry to explore "What is the meaning of history." The format will begin the North American natural history, national political history, and the Pacific expansion of transportation routes.**

Sincerely,

Riccardo Gaudino, Director of Research and Youth Engagement

**SR-33 Pacific Maritime Ag-Commerce Education Initiative
Golden State History**
